

END AIDS WASHINGTON – PAYER OPTIONS

Medical Visits and Lab Costs:

- If insured with commercial insurance or Medicare, you will have to pay your deductible, co-pay or co-insurance costs set by your plan for medical visits and lab tests.
- If insured with Medicaid (Apple Health), you will not have any out of pocket costs for medical visits or lab expenses.
- If uninsured, you will have to pay full cost of medical visits and labs as set by your provider and lab company.

Pharmacy Costs:

All health insurance plans in Washington State cover Truvada® for PrEP including Medicare and Medicaid.

- **If insured with commercial insurance or Medicare**, you will have to pay your deductible or co-pay for your prescription. You may be able to get assistance with your pharmacy costs from one of the following programs:
